There were several 'groups' of people who established organized civilizations in the Mediterranean and Europe areas in the first few hundred years AD.

You are to pick one. Use Pathways as a Primary Resource. Follow the guide below to complete your mini-research project.

Choices of 'Peoples':

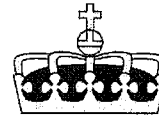

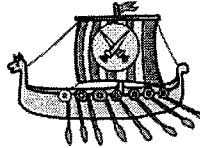

The Franks

Charlemagne

The Anglo-Saxons and the
Celts

The Vikings

You must complete the following:

One page, 2-4 paragraphs, describing the groups: key events, ideas, leaders, movement.

	One map (may be copied from the web) showing the area/years the 'people' of your research inhabited. Staple this map behind your page one. Colour, legend, title...
	One or two drawings (or computer assisted diagrams taken from the web) showing what someone from your group of 'people' wore. Label your drawings.
	Using one other source, a Secondary Resource, write/create a time line OR an interesting fact (that you did not include in your page one). This interesting fact must be at least two paragraphs. At the bottom, show what your Resource is (Author/editor, title, year published, publishing company, pages used) by listing this info below your time line OR interesting fact. Time line may be vertical or horizontal (title, straight lines, well labeled)

- ✓ Opening sheet of paper with 2-4 paragraphs of information about your 'people' (information taken from Pathways text book)
- ✓ Page two is a map
- ✓ Page three is a labeled drawing
- ✓ Page four is either a time line OR an interesting fact (minimum two paragraphs) using a second source (which is listed at the bottom)
